DMG Media

Senior Designer | 2005 - 2008

Mainly looking after the Metro Newspapers site, I was in charge of the website, changing graphics, producing e-mail templates, e-mail campaigns and print advertisements.

dotdigital Group

Designer | 2001 - 2005

I was part of the small team from the beginnings of this company. I developed and managed web projects from initial concept to final design, arranging and attending client meetings.
